First person to win a hole, WINS. HC Strokes would be given the same as they were during the 18 holes. Please leave the course as soon as a winner is determined, do not continue to play.
	<b>2nd option-</b> Chip off: IF the staff can not allow play to continue on the course, the match will be decided on the chipping area near the driving range. Who goes first? One participant will flip a coin, the other participant will chose heads or tails. The loser of the coin toss will go first. The winner of the coin toss will select a spot at least 3 yards from the practice green, the other participant will select the hole. Each person will make strokes (farthest from the hole goes first. same as match play). the
